Debt Management Plan (DMP)

DMP clients typically become debt free within 4-5 years. The DMP is an excellent way to consolidate unsecured debt payments into one monthly payment. Clients who qualify for the plan may receive reduced interest rates, lower payments, and waived late and over the limit fees in exchange for regular monthly payments. Find out your debt-free date today.

"Your Debt Management Plan changes thinking and changes lives."

Foreclosure Prevention

CCCS offers valuable intervention through free foreclosure prevention counseling to homeowners who have fallen behind, or are in danger of falling behind, on their mortgage. Our expert housing counselors work with homeowners and their mortgage company to explore available options to bring the mortgage current and avoid foreclosure.

"I thought I wouldn't have a home for my family to come home to for Christmas, but thanks to my counselor, I do. Thank you for helping me save my home."

Bankruptcy Education

CCCS is federally approved to offer Pre-Filing Credit Counseling and Pre-Discharge Debtor Education certificates to consumers seeking bankruptcy protection. Let CCCS help as you explore your options and make the best of your financial fresh start.

"I feel a huge sense of relief. I wish I would have come in sooner!"

Financial Review

If you need a confidential, non-judgmental resource that will help you make real change in your finances, CCCS is the resource for you. Our nationally certified, experienced counselors are standing by to provide a FREE analysis of your finances. Call, Click, or Come In for a tailored plan to help you achieve your financial goals.

"I was embarrassed and distraught that I had allowed myself to get to the level of debt where I was drowning. I've paid off my debt now, and I could not have done this without your help."

Community Education

CCCS' financial experts provide community resources for learning sound money management skills. Enroll for the Fiscally Fit Workshop or complete Better Fortunes totally online. Schedule a class for your organization or place of employment on more than 15 topics including budgeting, credit reports, debt reduction, or book our renowned Fiscally Fit Boot Camp.

"With the classes at CCCS, I learned that I can change not only my present financial life, but also my kids' future."
