

2015 IMPACT REPORT

Providing a Free, Objective Resource for Oklahomans

CCCSOK.org provided personalized financial reviews to 1,175 Oklahomans by phone, online, or in one of our locations. These reviews include a full analysis of income, living expenses, and debt. Participants receive a personalized Action Plan, and a Financial Report indicating their financial strengths and weaknesses at the time of their analysis.

13,625 Oklahomans accessed our Helpline seeking answers through our virtual call center for questions, referrals, and assistance with our services.

2,573 individuals accessed our financial literacy education options including our popular Fiscally Fit Bootcamp.

193 Oklahomans successfully concluded our Debt Management Plan repaying almost

\$4 million in personal debt.

22,908 Oklahomans access assistance through our website **CCCSOK.org** including helpful articles and downloadable financial management tools and forms.

1,166 Oklahomans sought help from **CCCSOK.org** for counseling and education required to file Bankruptcy.

80 Families worked through **CCCSOK.org** to prevent losing their homes to foreclosure.
