

# 2016 IMPACT REPORT

## Providing a Free, Objective Resource for Oklahomans

CCCSOK.org provided personalized financial reviews to 1,258 Oklahomans by phone, online, or in one of our locations. These reviews include a full analysis of income, living expenses, and debt. Participants receive a personalized Action Plan, and a Financial Report indicating their financial strengths and weaknesses at the time of their analysis.

12,682 Oklahomans accessed our Helpline seeking answers through our virtual call center for questions, referrals, and assistance with our services.

1,495 individuals accessed our financial literacy education options including our popular Fiscally Fit Bootcamp.

125 Oklahomans successfully concluded our Debt Management Plan repaying over

**\$3.5 million** in debt.

22,484 Oklahomans access assistance through our website **CCCSOK.org** including helpful articles and downloadable financial management tools and forms.

779 Oklahomans sought help from **CCCSOK.org** for counseling and education required to file Bankruptcy.

59 Families worked through **CCCSOK.org** to prevent losing their homes to foreclosure.

Learn more about our agency and our impact on Oklahoma Communities at **CCCSOK.org**.

*"I am grateful for the opportunity to learn more about my finances. I'm so glad my counselor is here and that this agency is a service for all."*
